

**Objective** - Successful export project of Latvian Food to Sweden

The overall objective of the project was to increase Latvian food export to Sweden through enhancement of partnerships between Latvian and Swedish food sector companies. The project was co-organized between Latvian Investment and Development Agency, [www.liaa.gov.lv](http://www.liaa.gov.lv) and GatewayBaltic.

### **Result**

In the project participated 11 Latvian food producers that wanted to start or increase their export to Sweden. Throughout the year 2005/06 we intensively marketed the companies towards the Swedish market.

**The result was that 9 companies started to export to Sweden.**

**The successful companies are:**

- **Lielzeltini** - poultry products;
- **Jelgavas Galas Kombinats and Ruks** - processed meat and fresh meat;
- **Atlantikstars** - surimi: crab sticks and crab meat;
- **Vinnis** - sauna honey;
- **Anatols** - packed spices;
- **Lielezers** - latvian reybread;
- **Laima** - sweets;
- **Dobeles Dzirnavnieks** - flour.
